

Flexible Membership

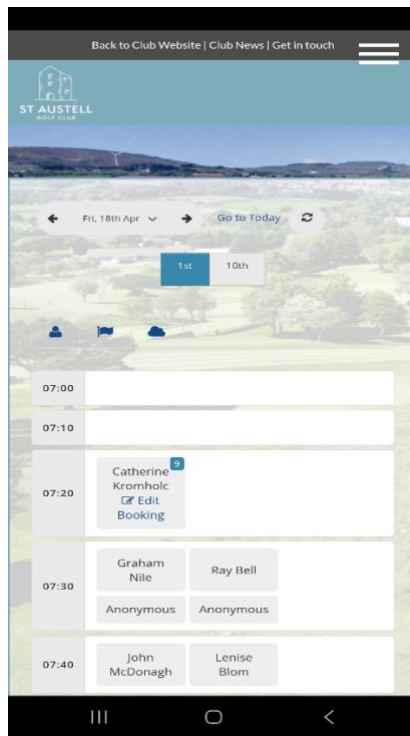

Dear Members

For those of you that have chosen to join as a flexible member this year please find below instructions on how to access your Flexible account points usage.

If you log in via the website, visit the members area and once logged in click on the MY GOLF section where you should be able to see FLEXIBLE ACCOUNT, please click on this.

If you are using the app, go to tee times and then click BOOK on the top right hand corner, click on the 3 horizontal lines (as below). You can then click on MY GOLF and then FLEXIBLE ACCOUNT.

Once you are in your Flexible Account section you should be able to see rounds played and how many points you have used. You will also be able to top up with more points if necessary.

Please make sure that you cancel tee times/ competitions if you are not playing otherwise points will still be deducted.

If you are only playing 9 holes you should be given this option when booking so that the correct points can be deducted.

I apologise in advance for any teething issues, please feel free pop in the office if you encounter any problems and we will endeavour to sort them out for you.

The Matrix below shows how many points will be deducted when booking a tee time or booking into a competition.
